

A successful year starts with the right guide!

Guidelines for a successful year: The Host Family Handbook is a useful, searchable, resource for families to get the most out of their year and covers many topics including:

- Child care expectations
- Living with a young adult
- Communication and cultural differences
- Your au pair/companion's arrival
- Program regulations and legal requirements
- Support during your year together
- Frequently asked questions
- Your au pair's departure

Where can I access the Host Family Handbook?

The Host Family Handbook is located on your personal page on the SHARE site. Log on and begin reading up on the best information to ensure a successful year with your au pair!

For more information, please contact your Community Counselor or the Au Pair in America home office at (800) 928-7247.
