EduCare participants are to be compensated at a rate that is 75% of the weekly rate established for those on the standard program for up to 30 hours of child care services per week.

**The minimum weekly federal stipend of \$195.75 for the Au Pair participant for up to 45 hours per week and \$146.81 for the EduCare participant for up to 30 hours per week is calculated at the federal minimum wage less a credit set by the Department of Labor for room and board.

Au pairs on the Au Pair Extraordinaire program are to be compensated at a weekly rate of no less than \$250 as set by Au Pair in America.

Note: Host families have the option to pay more than the minimum standards, but under no circumstance may the host family pay less than the minimum each week of the program, nor may the family have the au pair provide more than 45 hours per week (30 hours for EduCare) of childcare services.

The au pair weekly stipend, room and board, education allowance and other program elements are subject to change based on any update to the federal au pair regulations and/or Department of Labor FLSA. If this occurs, Au Pair in America will inform families.

Fees do not include:

- A \$367.00 payment to Au Pair in America to cover the program extension filing fees required by the Department of State is due and payable with the request to extend.
- The educational allowance required of all host families: up to \$500 for the Au Pair and Extraordinaire program for the 9 or 12 month extension; up to \$250 for the 6 month extension.
